

ELIGIBILITY CRITERIA

To qualify for this program's \$500 rebate, ONE of the following three Program/Code requirements must be met:

- 1. Touchstone Energy Home Program**
To qualify for the rebate under this program, the following is required:
 - A qualified rater or inspector* must verify ALL the requirements on the attached checklist have been met unless not applicable.
 - Submit the completed checklist and this rebate form with Section 1 and Section 2 completed.
- 2. Touchstone Energy Home Program with blower door test in place of "Ductwork & Air Infiltration Control" requirements**
To qualify for the rebate under this program, the following is required:
 - A qualified rater or inspector* must verify all requirements on the attached checklist have been met unless not applicable, except for the requirements in the "Ductwork & Air Infiltration Control" category.
 - A blower door test is required in place of the "Ductwork & Air Infiltration Control" requirements. Less than 3 air exchanges/hour at -50 Pascal is considered passing. Person performing the test must complete Section 3 of this rebate form.
 - Submit completed checklist and this rebate form with Section 1, Section 2, and Section 3 completed.
- 3. 2012 International Energy Conservation Code**
To qualify for the rebate under this code, the following is required:
 - A qualified rater or inspector* must provide documentation showing compliance with IECC 2012 using REScheck software.
 - A blower door test is required. Less than 3 air exchanges/hour at -50 Pascal is considered passing. Person performing the test must complete Section 3 of this rebate form.
 - Submit documentation showing compliance with IECC 2012 and this rebate form with Section 1 and Section 3 completed.

*A qualified rater or inspector refers to a person who is knowledgeable in building standards, has experience in using blower door test equipment, if blower door test is performed, and is approved by your electric cooperative.

- New home must be on cooperative's lines.
- One of the above rebate qualifying actions must have been completed in 2017.
- Rebates are limited and will be paid on a first-come, first-served basis. Rebates are issued as a credit on your electric bill.
- Additional eligibility criteria may apply. Contact cooperative for details.

All documentation listed below must be submitted no later than 3 months after certification:

- ✓ This rebate form.
- ✓ Documentation as explained above, depending on which program/code was followed.

Submit documentation to:

MiEnergy Cooperative, PO Box 90, Cresco, IA 52136 | email jsunnes@MiEnergy.coop | fax 563-547-4033

Section 1: MEMBER INFORMATION (Please fill out entire section)

Member Name			Email	
			<small>Email addresses will be used for cooperative communication only, including eNewsletters filled with energy saving tips. Opting out now or in the future is always available. <input type="checkbox"/> Opt out Now</small>	
Address			Account	Phone
City	State	Zip	Date	Member Signature

Which program/code requirement has been met to qualify you for this rebate (program/code requirements are listed above):
 1. Touchstone Energy Home Program
 2. Touchstone Energy Home Program with "Ductwork & Air Infiltration Control" requirements
 3. 2012 International Energy Conservation

Section 2: RATER / INSPECTOR VERIFICATION

(Please fill out entire section if home satisfies requirements of program 1 or program 2 as defined under ELIGIBILITY CRITERIA above)

By signing this form, the rater or inspector certifies that the home has met:

- 1) All requirements in the attached checklist if member is qualifying with option 1 (Touchstone Energy Home Program) OR
- 2) All requirements in the attached checklist if member is qualifying with option 2 (Touchstone Energy Home Program less the "Ductwork & Air Infiltration Control" requirements)

Rater or Inspector Name	Rater or Inspector Signature	Date of Final Inspection
-------------------------	------------------------------	--------------------------

Section 3: BLOWER DOOR TEST VERIFICATION

(Please fill out entire section if home satisfies requirements of program 2 or code 3 as defined under ELIGIBILITY CRITERIA above)

By signing this form, the person performing the blower door test certifies that the home has met the requirement of less than 3 air exchanges per hour at -50 Pascal.
