

Automatic Payments

The automatic payment plan is a convenient way to pay your monthly electric bill. You'll write fewer checks each month, you'll save on postage and your bill will be paid on time. Each month you'll receive a statement indicating the amount that will be withdrawn from your bank account.

To enroll, complete the form below and attach a voided check for withdraws from a checking account or a deposit slip if the amount should be taken from a savings account. This arrangement will remain in effect until you cancel the authorization to us in writing.
